CANDIDATE'S CARD

To the Voters of
The Town of Appomattox:

I am a candidate for re-election to the Office of Town Councilman, subject to the Election to be held June 13th, 1961.

If my record, as a member of your Council, has met with your approval, I would appreciate your vote and influence.

If re-elected, I promise to serve you in the future, as in the past, to the best of my knowledge and ability. As a member of the Council, I have always voted for what I believe to be for the best interest of all the people. The Town of Appomattox is a County Town, and without the County business we could not long exist as a Town. The county people can do without us, but we cannot do without them; we need them. I am in favor of doing everything possible to attract people to our Town and to attract new Industries in order that our young people may not have to leave home to get a job.

My business is such that I will not be able to see you all in person, but I hope you will go to the polls early and vote for your choice.

Very truly yours,
J. T. ALMOND.
